

# Digital Cameras in the Hands of Kids

Globo Ltd is ensuring the true integration of ICT/eLearning by supplying quality, easy to use, low cost digital camera kits for student use. Forget worrying about whether the last teacher has charged the camera or not, the cameras take 2 standard AA batteries. Rechargeable batteries will also work.

Include the Globo Ltd digital camera kit for learning journeys, literacy or any curriculum area. Students can use the cameras with their teacher or family/whanau to capture images and playback on a standard TV, computer, upload to a website or they can print the images.

## Pricing

5-Pack - \$1550 ex gst (Freight is additional)

Includes: 5 x Canon A460 cameras in high quality, 1 x durable toolbox, 5 x USB/AV cords, 5 x free mini- tripods, 5 x straps, 5 x 1gig, SD cards and 20 AA batteries.
